

HMM in cooperation agreement with Maersk and MSC, no 2M membership Seatrade Maritime

Hyundai Merchant Marine (HMM) has settled for slot exchanges agreements with Maersk Line and MSC rather than the full membership of 2M it had been bargaining for. In a statement on Sunday Maersk said that the Danish line, MSC and HMM had entered into strategic cooperation which included combination of slot exchanges and slot purchases between the three parties.

PMO to MoS: Increase direct delivery's share to 40 per cent Indian Express

Giving a push to the 'ease of doing business' initiative, the Prime Minister's Office (PMO) has directed the shipping ministry to increase the share of "direct delivery" consignments at Indian ports to 40 per cent by the end of this year.

Exports may take 'momentary' hit after demonetisation: Centre Millennium Post

India's exports are likely to witness a momentary "setback or slowdown" following the demonetisation and ensuing cash crunch, a top official has said. "It is a fact that perhaps the demonetisation process, as was pointed out, it may cause a momentary setback or momentary slowdown (to India's exports),"

Will the government gain from the shift to authorities' style of port management from trustee set-up?

India TradeWays

The transformation of 11 of the 12 ports owned by the union government into authorities from the current trustee set-up, a plan that was cleared by the cabinet on Wednesday, is a structural improvement that helps faster decision-making and allows these ports to perform with greater efficiency by virtue of having full autonomy,

Korea Line plans two Asia-USWC services in April

Sea News

Korean Line Corp., a new container shipping line, is set to commence two transpacific services in April 2017 that will link Chinese and Korean ports to the US west coast, according to Alphaliner. "Apart from the transpacific strings, Korea Line is also expected to launch several intra-Asia services next year will focus on the Korea to West India and Southeast Asia markets,"

Major Indian ports given deadline to complete gate automation

JOC

The government of India has set March 31, 2017, as the date by which all major, or public, ports should have in place gate procedures that use radio frequency identification technology, part of a larger scheme to shore up port productivity.
